

Before connecting, confirm that the shape imprinted above each antenna port matches the sticker on the corresponding cable. These antenna cables are color-coded based on their function: red for CELL, blue for GPS, and yellow for Wi-Fi.

Neo2 aware includes a single 3-in-1 antenna for cellular, Wi-Fi, and GPS.

neo2 *AWARE*

-  Port 1: CELL (Red Cord)
-  Port 2: CELL (Red Cord)
-  Port 3: GPS (Blue Cord)

Max aware includes a 3-in-1 antenna plus a separate 2-in-1 Wi-Fi antenna for enhanced performance. For improved signal strength, you can add an optional high-gain antenna upgrade to max aware.

max *AWARE*

-  Port 1: CELL (Red Cord)
-  Port 2: WI-FI (Yellow Cord)
-  Port 3: GPS (Blue Cord)
-  Port 4: WI-FI (Yellow Cord)
-  Port 5: CELL (Red Cord)
